

PLEASE do not weaken Wisconsin's "No-Call List" laws! If/when I want to consider services and/or products, I want ME to initiate the contact! Persistent calls from companies, credit card companies, banks, timeshare companies, aluminum siding companies, etc., are a REAL annoyance! (I only wish that we could ADD restrictions to unsolicited POLITICAL CAMPAIGN calls, unless from a party that we are registered members of!!!)

PLEASE DO NOT UNDO OR WEAKEN THE LAW AS IT STANDS! IT IS WORKING, AND THE PUBLIC WANTS IT TO REMAIN!!!!!!
